Please check: First Degree _____ Second Degree _____ Master _____

Tell us why you would like to attend the Gathering and, please, share some information regarding your financial need of a scholarship in order to attend.

What does Reiki mean in your life and how do you use Reiki?

Each year a team of volunteers supports the Gathering in a variety of ways; parking lot greeter, Cabin Blessings and Room Angel (straightening the large room, setting up and taking down tables.)

In accepting this scholarship you will be agreeing to serve on the Volunteer Team in an assigned volunteer position as well as to be available during the weekend to assist the Volunteer Coordinator when needed. Lastly, you will be part of a team who will provide Reiki to Breitenbush staff for 1 session (up to 30 minutes) during Staff Reiki time on Saturday afternoon.

Please type or write answers legibly. Feel free to write on the back of this sheet or attach additional paper if you need more space. All information is confidential. We offer partial scholarships so that more people are able to attend using the resources in the scholarship account. You will be asked to contribute \$239 towards the weekend, and you will be informed of the Board's scholarship award decision no later than April 30th.

Please return this Application with your Registration Form.

No scholarship applications will be considered without a current Registration on file.

The deadline to return you Registration with this Application is April 5, 2011.

Please email application to registrar@nwreikigathering.com or mail to:
