**“The Transformative Power of Reiki – Moving in the Dance from Me to We”
With Cynthia Lamb Faust and Kathy Melcher Coppieters**

In the natural order of things, life calls us to move beyond the safety and security of friends and family to embrace our kinship with Mother Earth and all creation. What steps do we take, from the starting point of “me”, to join the cosmic dance of “we”?

In this gathering we will explore the unifying potential of Reiki in bringing into balance the complexities of gender, race, culture and the environment. Through ceremony, song, dance, deep conversation, and Reiki treatments, we will create a sacred space for the oneness we share to manifest.

Kathy Melcher Coppieters, a Reiki practitioner since 1993 and Reiki Master since 2007, is also a psychotherapist practicing from a transpersonal perspective, combining cognitive, whole body and intuitive approaches. She is active in the Reiki Alliance and in efforts to explore the future of Reiki.

Cynthia Lamb Faust began her Reiki journey in 1991. Initiated as a Master in 1998, she continues to practice, learn and teach Reiki in the spirit of gladness and gratitude. Cynthia has served on the boards of The Reiki Alliance and the Northwest Reiki Gathering.
