

The 35th Annual Northwest Reiki Gathering
at Breitenbush Hot Springs Retreat and Conference Center in Oregon
Being Together in the Harmony of Reiki

Master Time: August 7-9
An Invitation to the Beginner's Mind

Weekend Gathering: August 9-11
Expanding in the Heartbeat of Reiki

With: Paul Mitchell, Hyakuten Inamoto, and Frans Stiene

Join us for the 2019 Northwest Reiki Gathering as we welcome Reiki Masters from three different continents to share their unique visions and Reiki wisdom. Explore how Reiki can lead us to be in harmony. As Sensei Phyllis says, "we all have a song inside of us." What is your song and how do you bring your unique tone to the harmony of Reiki?

We are excited to come together with open hearts and curious minds, as we expand our capacity to relate to each other in Reiki. You can look forward to inspiring, respectful conversations, having fun, and a lot of Reiki. This is an extraordinary opportunity where the footprints of our Reiki evolution carry us beyond our own region, allowing us to explore the many ways our songs sound in harmony.
